Index Methodology

- i. The total returns Index is constructed using the near month Nifty 50 Futures contract (Symbol: Nifty) traded on NSE and previous 30 day MIBOR as a risk free instrument.
- ii. The near month futures contract expire on last Thursday of each month. Index will start roll over to mid-month contract 3 days prior to expiry day of near month contract.
- iii. The percentage shift in weights is based on the 1 year average roll over percentage observed during the expiry week. This shall be reviewed semi-annually

Index Governance:

A professional team manages all NSE indices. There is a three-tier governance structure comprising the Board of Directors of NSE Indices Limited, the Index Advisory Committee (Equity) and the Index Maintenance Sub-Committee.
