Index Methodology

Eligibility Criteria for Selection of Constituent Stocks:

- i. Companies must rank within the top 300 companies by average freefloat market capitalisation and average daily turnover for the last six months.
- ii. The company's trading frequency should be at least 90% in the last six months.
- iii. Companies must have reported net profit as per latest annual audited results.
- iv. A dividend yield of each company is calculated using total dividend amount in the last 12 months (calculated based on ex-dividend date) prior to the rebalancing reference date using average market capitalization for one year period ending January.
- v. Top 25 companies ranked by annual dividend yield will be compulsorily included in the index and companies ranked below 75 by annual dividend yield will be compulsorily excluded from the index.
- vi. Final selection of 50 companies shall be done based on higher dividend yield.

Index Re-Balancing:

Index is re-balanced on annual basis and implemented from first working day after F&O expiry of March. For review of indices, average data for 6 months period ending last trading day of January of each year.

Index Governance:

A professional team manages all NSE indices. There is a three-tier governance structure comprising the Board of Directors of NSE Indices Limited, the Index Advisory Committee (Equity) and the Index Maintenance Sub-Committee.
